Board Members

Louie Cantu

Mrs. Louie

Next Meeting: Apr 1st, 2011

The Meeting was called to order by the President, Capt Billy, who arrived in a flash '53 Mercury or maybe a Ford, I forget.

Others in attendance were the vice president who was seen doodling on the back of an old unemployment form and the secretary who had gone out to look for a Tootsie Pop. A note Paul and family sent from Disney World indicated we were \$124,748.44 in the red and that he was resigning his position as treasurer. We, of course, wish him well in his new endeavor as a karaoke singer in Little Miami. Louie and Mary Lou were in attendance and announced that he had his brain transplanted with a Democrat. He will no longer vote NO on everything. We, of course, wish them well. Terry and Viicckii were not present. But we heard that he had installed Jerry's Mitsubishi pickup motor in his lowered, chopped, channeled and sectioned Merc. Jerry was adding a pickup bed to his Chevy in order to carry enough oil for this year's trip to Minn. Steve showed up and disclosed that due to the federal deficit left over by you know who, he had to raise the price of the "double nickel" to 14 cents. We, of course, wish them all well.

Under used business, Greg reported that 42 club members flew in to the Alice Spring's Swap Meet and were treated to shrimp on the barbie by the Secretary with whom Paul had entrusted the club's check book. A good time was had by all. Harry was last seen after the show, packed up and headed towards the warmer climes of Queensland to join Iphigenia in Cairns. A vote to consider a discussion regarding ruminating the possibility of a yet to be determined audit of the club's disharmonious bank account was tabled until a later assembly.

Under new business, Greg reported that he has arranged cloud seeding for the 23rd of May as the meteorologists were only predicting a 90% chance of precipitation. Good job, Greg. We voted that next year we would have the Spring Fling in February to eliminate this problem. And due to the price of gas, next year's Spring Fling will be held at home.

Under "good of the order" Jerry announced he has painted his Brand X with its 45th coat of black primer. We, of course, wish him well. In the 50/50 the \$3.27 was split by the officers and used to buy chrome plated carburetor doilies.

For Sale: Bill sold his marine motor to Jerry who put it in his Mitsubishi pickup and went fishing. Bill is also selling his louvers, hood not included.

Your Secretary, Harry the yank (ing your chain)

Flash: Acme Cyanotic should deliver Elvis on 23 May.
