### Aug 2009 News Stuffs

Captain Billy was put in the longboat and set adrift with a motley crew. That left only the cabin boy, Louie and Mary Lou, Greg and Gail, Phil & Karen, and Wayne & Laura to run a sinking ship. We voted to sail directly to Tahiti.

Pre-mutiny discussion: We discussed Bill's invite to his place on Monday, Sept 7<sup>th</sup> for an all you can eat and drink deck party. We really must mention this to Judy.....

Greg & Gail sunburned their exposed body parts at Harry's Rendezvous. There were 75 cars and we fed 125 or so. Plenny fun kine stuffs.

The VP was awakened and the meeting was called to order.

No Prez report: Bill seen swimming West at Lat 5 degrees North and 140 West. Fins in pursuit.

No VP report: Wayne present but refused to participate if he didn't get a gavel.

No Treasurer report: Paul reported at Sea/Tac with family in one hand and club check book in the other.

Itty Bitty Sec report: Entire minute's taken on Louie's left over pizza. Greg still has gismo. Motion made and seconded to adjourn. .
