Feb Twenty-Ten News Stuffs

A warm February evening brought in Dave and Cassandra with the two perpetual motion machines, Bill, Jerry and Linda, Paul, Senora Martinez and Senorita Gigi, Greg and Gail, Terry and Linda, Phil and Karen and moi, of course.

Paul added 3 dues and 14 smackers from the 50/50 to the coffers.

So Last Year Dept: Spring Thingy: May 23rd. Paul is getting a quote from Rally Productions for a Drive-In theater theme with two hot rods. This is because Puget Park Drive-In will become a hospital. Another one bites the dust. You guys can always come to Oak Harbor. We voted green. Elvis is committed. What kind of choice does a dead guy have? IMPT; Next month we will decide on trophies. Send me any you can think of. I'll put it all together in a list. We did advertise 50.

Greg is starving himself for the Chuckanut Manor pig out Wagon Master, April 18th. Details for direction to the trough will be forthcoming.

Stratocruzers are soliciting free entry and primo parking for any hearty person who helps park cars at 0530. This is the 18th of July for Kla Ha Ya Days.

Your scribe wants an old fashion get together at the All Ford's Picnic at BCC on June 6th. Let's see if we can get together a bunch of Ford's and yes, Jerry, you can bring your Mitsubishi. Also another wagon master will be the cruise to the Whidbey Cruiser's Rendezvous if the new Cruiser Prez gives it the OK.

And if you have any special shows you want added to the Event list, email them to me.

Somewhat New Stuffs: Cocoon House has offered us a chance to hobnob with the high mucky mucks. If we donate 250 bucks one lucky person will be able to slip into his/her tails and join other sponsors in a gala evening including a dinner and an auction on Oct 7th. If we donate 10 grand we get 20 seats and we can all go. Paul, check our balance.

Good of the Order Dept: Judy was in on the 11th and out on the 15th. A bone graft was successful and she is

now either at home or being tortured by her therapist. X rays look good.

Louie's back has come right but their son has had medical problems. Keep the faith, mate.

Our other mate, Dave Nordeen had an operation which left him in a lot of pain. We will think of you. In the meantime, take two aspirin with a fifth of Tequila.

Jerry and Linda wen go hele on to Tucson for good weather and family.

Capt Billy's Presidential Moment included a quiz in which the winner won a buck. How long has Yokohama Tires been in the country? Right answer was 40years and I took the buck and bought another 50/50 ticket and won a DVD. No one guessed what percent of petroleum they save by using orange peals in their tires. It was 80%. Gee, I wonder what Toyota makes accelerator pedals out of.

Gregory took home the big pot.

We now reward the birthday person with choice of dessert at Spiro's. No B-days this month so we meant to hit the honey mooning Martinez' couple with a special but couldn't find a waiter. Next month, guys. That means you will have to sit through another one, Sylvia. Man, that's hardly worth a dessert.
