Back was Jim Ewert, a prospective member who has a 56 and his daughter, Angela.

Paul got two dues payments for 50 clams and gave away 294 bucks for dash plaque stuffs. Contact AIG for our exact wealth in junk bonds.

Donation to Nile was capped at \$400 by vote.

Registration Party: A “Put all the little papers and stuffs into a bag” party will be at Paul’s on Tuesday, the 12th at 630-700pm. Please come and help.

The Nile will not use the cooking area but will still have hot dogs and stuff somewhere, up the hill, at the clubhouse, I don’t know. We may be a bit stressed to get a suitable number of door prizes. Look around the shop. See what you can find. Plus everyone needs to bring a giveaway door prize worth 15 clams. ”.

New stuffs: Elections were voted by acclamation. People dumb enough to volunteer were as noted last month.

Good of the Order Dept: Gail had to take home the gismo she had the next B-day in line which is in June. And did I get my cut for selling Louie the winning 50/50 ticket? Nada, nein, no, or a’ole if you prefer Hawaiian. Phil & Karen are off to Minn for the really beeg sheew. Last year 11,000+. Makes my feet hurt. And Billy got and installed a Super T-10 tranny in the Merc thanks to his very dear (and poor) friend up north. Actually I got a birthday cake out of it.
