## OCT 2009 News Stuffs

Fun began at 6ish for Bill and Judy, Louie and Mary Lou, Paul, Greg, Wayne and Laura who dragged along their house guest, Daniel who probably didn't know better, and the club scribe. Much merriment was had by all until 702 when the captain rapped a belaying stick on the helm and we all immediately listened in rapt attention. Right.....

Paul added the 12 clams of last months 50/50 and finally paid Rowland his \$65.45. Plenny mahalos, Row.

Pre Loved Dept: The Nile is set for the 23<sup>rd</sup> of May. Spring Fling announcements will be sent to the calendars. Christmas Party: Paul called Chopsticks which sounded good to the group. He will ask for the 5<sup>th</sup>. We will start at 6pm as the piano bar (where the "chopsticks" comes from) will start at 8pm. Lots of food options, min price \$30 plus tip. Club will go for the extra 5 bucks so every paid up member will get \$30 for a meal. Bring a \$20 prezzie for like sex or at least a close to similar sex.

Next is Bill's retirement party which will be Oct 15<sup>th</sup>. It will be at the Police Station at 6<sup>th</sup> and Bell in downtown Edmonds. All invited. Handcuffs optional. And the Monroe Swap Meet is on Oct 10-11. Greg has a place across from the scone stand but will only be there Sunday. Jerry will be there.

Paul gave a report of the Edmonds car show. 327 cars and sunburn. End of report. Harry went to a show in Sacramento with the Phantom Ranger and got a first place in 73 and newer truck. Ignore the fact that he was the only one in class.

Newish Stuffs Dept: A possible drive by neighborhood Xmas lights cruise could be in the works for Dec.

Good of the Order Dept: Bill read Lance Lambert's hints for selling cars. Very funny. I knew Lance had a sense of humor when he chose me for one of his videos.

. Up in Oak Harbor there is a woman looking for a 50's truck for a new landscaping business. It doesn't need paint but needs modern running gear. Call Harry. Bill has his motor almost ready to go back in and Wayne has his truck at home. There goes the neighborhood. Greg and Gail are off to Boston for more cho-cho train rides and to look at yellowish, dead leaves on trees.

Birthday boy Paul took home the gismo and Harry took home the 13 smackers plus the chocolates. I'd rather have chocolates than another birthday.
