Sept 2009 News Stuffs

Captain Billy arrived having survived the savage seas, barring one large shark bite on his head. The first mate had put in a couple of stitches with her Singer zig zag and he seemed good as new. Paul and his trusty side kick arrived back from their European holiday to announce dues of \$25 and 50/50 of 16.50 on the black side and 58 dollars on the red side for the last wagon master.

Speaking of the City Park Wagon Master, the weather was good as was the food and the only complainer was Greg who claimed someone made him eat too much. Harry's Rendezvous was a bust. Only 125 people ate and only 75 cars came. And yes, the day was perfect but then, it is Oak Harbor.

Under more old stuff, the Nile is reserved for next years Fling. We think its Sun, May 23.

A check will be sent to Rowland for the web site. Thanks, Row.

Newish stuffs: Christmas Party, Paul will call Chopsticks and someone else will check out Anthony's. We are shooting for the 5th or the 12th.

A very high mucky muck, no names please, offered to slip in pre-registration info sheets to the Edmonds show but no one jumped up.

And now the rest of the story: It turns out that Bill's 4 stitches came about when he stabbed himself in the head with a stake while either fighting off vampires or working on his car. OK, this one I can believe.

For a Sept/Oct Wagon Master it was suggested we attend the Un Run put on by the Yakima Vintiques on Oct 3rd in Union Gap. More info as it arrives.

We have some events of monumental importance. One is Bill's retirement which will be Oct 15th. Again, we'll have more info next month. And the Monroe Swap Meet on Oct 10-11. Greg has a place across from the scone stand but will only be there Sunday.

Bill's deck party has been postponed until weather or morale improves.

And the Nile was a great success with 135 cars and a perfect day.

Linda won the big twelve bucks from the 50/50 (note sent to IRS) and also got stuck with the gismo as it was her birthday as well as Mary Lou's this month.
